AN AUTONOMOUS INSTITUTE OWNED BY GOVT. OF MAHARASHTRA

TO WHOMSOEVER IT MAY CONCERN

Shri Guru Gobind Singhji Institute of Engineering and Technology, Vishnupuri, Nanded (SGGSIE&T) follows a relative grading system on a scale of 10 and not a percentage system where marks are awarded out of 100. The Cumulative Grade point Average (CGA) earned by a student on a scale 10 is an indication of his/her academic standing in the class. Where, for purposes of placement of student and/or their eligibility for competitive exam etc., a conversion of CGA to percentage is required, a CGA of 10 may be deemed to be 100% and accordingly the following equation may be used for conversion of **CGA into percentage**: Percentage = CGA x 10.

This conversion factor is applicable with retrospective effect.
